

First Announcement and Call for Papers for

# The first symposium on “Carbon Nanoforms”

at

Nanoscience, Nanotechnology and Molecular Materials Institute (INAMOL-UCLM)

Organized by the JOINT MICINN-JST actions: “Chemically Functionalized Nano-Carbon for Photovoltaic Devices” (PLE2009-0038), “Chemically Modified Endohedral Fullerenes for Organic Photovoltaics” (PLE-2009-0039) and “Exploration of Novel Porphyrinoids for Molecular Photovoltaics” (PLE2009-0070)

International Year of  
**CHEMISTRY**  
2011

First Announcement and Call for Papers for  
The first symposium on “Carbon Nanoforms”

at  
Nanoscience, Nanotechnology and Molecular Materials Institute (INAMOL-UCLM)

Toledo, Spain.

June 2-3, 2011

The Organizing Committee invites you to participate in the first symposium “Carbon Nanoforms”, organized within the Strategic Japanese-Spanish Cooperative Programme on “*Nanotechnologies and new materials for environmental challenges*”

### **MAIN TOPICS**

Researchers involved in fullerenes, carbon nanotubes and graphene science, are cordially invited to participate. Specifically, electrochemistry, photochemistry, electron transfer chemistry, photoelectrochemistry, electron microscopy, photovoltaic applications, catalysis, sensor studies and applications of all carbon nanoforms (carbon nanotubes, organofullerenes, electroactive fullerenes, supramolecular fullerenes, organometallic fullerenes, endohedral fullerenes, fullerene films and composites) are topics of particular interest.

### **OFFICIAL LANGUAGE**

The official language of the conference is English

### **CONFIRMED SPEAKERS (IN ALPHABETIC ORDER)**

#### **Plenary Speakers:**

Takeshi Akasaka (University of Tsukuba, Japan)  
Giovanni Bottari (Autonoma University of Madrid (UAM), Spain)  
Osamu Ito (National Institute of Material Science, Japan)  
Fernando Langa (University of Castilla-La Mancha (UCLM), Spain)  
Nazario Martín (Complutense University of Madrid (UCM), Spain)  
Masako Yudasaka (AIST- Nanotube Research Center, Japan)

#### **Invited Speakers:**

Antonio Echavarren (Institut Català d'Investigació Química (ICIQ), Spain)  
Said Kazaoui (AIST- Nanotube Research Center, Japan)  
Wolfgang Maser (ICB-CSIC, Spain)  
Rodolfo Miranda (IMDEA Nanoscience, Spain)  
Roberto Otero (IMDEA Nanoscience, Spain)  
Emilio Palomares (ICIQ, Spain)  
Josep Poblet (URV, Spain)  
Ester Vázquez (UCLM, Spain)

## TENTATIVE SCHEDULE

Thursday 2 June, 2011		Friday, 3 June, 2011	
10:00 – 10:10	Presentation	9:00 – 9:40	Plenary Conference-4
10:10 – 10:50	Plenary Conference-1	9:40 – 10:10	Invited Conference - 6
10:50 – 11:20	Invited Conference - 1	10:10 – 10:55	Oral Presentations
COFFEE BREAK			
11:50 – 12:30	Plenary Conference-2	11:25 – 12:05	Plenary Conference-5
12:30 – 13:00	Invited Conference - 2	12:05 – 12:35	Invited Conference - 7
13:00 – 14:00	Oral Presentations	12:35 – 13:25	Oral Presentations
LUNCH			
16:00 – 16:30	Invited Conference 3	16:00 – 16:30	Invited Conference 8
16:30 – 17:10	Plenary Conference-3	16:30 – 17:10	Plenary Conference-6
COFFEE BREAK			
17:40 – 18:10	Invited Conference 4		
18:00 – 18:15	Invited Conference 5		
18:15 – 19:30	Oral Presentations		

## ABSTRACTS

Those who wish to make a presentation are requested to submit an abstract at the conference organizers ([jldelgad@quim.ucm.es](mailto:jldelgad@quim.ucm.es) or [MariaJose.Gomez@uclm.es](mailto:MariaJose.Gomez@uclm.es)) by **April 30, 2011**. Upon submission, please indicate the type of presentation preferred from “Oral”, “Poster” or “Either”. The abstracts will be reviewed by the Organizing Committee, and will be assigned to oral presentations and poster presentations. Even if you prefer an oral presentation, your contribution may be assigned to a poster presentation due to scientific reasons and the limited number of oral presentations possible. A notification of the result will be sent to the presenting author by e-mail before May 10, 2011. How to prepare oral and poster presentations will be announced when the conference comes closer.

## Instructions for Authors

Abstracts must be submitted as PDF files of camera-ready versions so that they should be published in an abstract book distributed to participants. Please use the template (.doc) on the web page: <http://www.ucm.es/info/fullerene/> (under activities) for preparing your manuscript, and convert the manuscript into a PDF format before online submission.

- 1) The abstract should be written in English, and should not be longer than one page. Print all text in a single-column format.
- 2) Prepare all text and figures in black and white.
- 4) Use standard fonts such as Times New Roman, 11 points for text.
- 5) Center the title of the presentation along with authors' names and their affiliations at the top of the abstract.
- 6) Title should be typed in bold, 12-point font with initial capitals. Authors should be listed consecutively by initials and last name. Identify the presenting author by underlining the

name. Affiliation should be indicated with superscripted suffix Arabic numerals or symbol. E-mail(s), if preferred, can be added after the corresponding affiliation(s).

7) Type the text body flush left-and-right (justified) and list in-text citations (superscript numbers) at the end of the abstract following the ACS Style Guide.

8) Fonts must be embedded when making a PDF file. The file size cannot exceed 3MB.

### **Important Dates:**

Abstract Submission: 30 April, 2011

Acceptance of Paper: 10 May, 2011

Simposium celebration: 2-3 June, 2011

### **No Registration Fee.**

**Accommodation:** For information about hotels and students residence contact to [pilar.cruz@uclm.es](mailto:pilar.cruz@uclm.es)

### **Organizing Committee:**

Fernando Langa (UCLM)

Pilar de la Cruz (UCLM)

M<sup>a</sup> José Gómez (UCLM)

Nazarío Martín (UCM)

M<sup>a</sup> Ángeles Herranz (UCM)

Juan Luis Delgado (IMDEA Nanociencia)
